Nothing

Yea

No at all

you can fix a time to contact with pandit to come online for a day.
and show the time schedule of pandits.

Nice

I am bit unaware about this topic but I am sure you can do it ameet and would love to see the final product 🙌

Ai pandit

Everything is really very good . This site can be very useful specially in those countries where there is hard to find priest

It should work smoothly and faster

Majority of target group for this app are still not mentally prepared and are confused on what they want from these kinda apps and also are skeptical cuz these apps are not tried and tested

Namaste sir

It's a great idea you have prepared but I am more then concern and very curious to know how you will train people to use the app /website ,You may make guides or even make something to guide people

Everything is perfect

Sabai sbasakta praxa
Puja garnu sabai ma

No any suggestion.. Just go ahead

Making booking process super simple simple fast payment trusted pandit verification AI-based muhurat generator n festival reminders also add a chatboard for instant help.

All good

good

Ramro app banau

All the best

The app looks clean and easy to use. Maybe add more customization and smooth features.

What i unique idea😵

i hope this app doesnot have ads

It needs to

Yes

I really want this type of app it would be very useful for person like me

Data should be recorded if it used once

छैन

Nothing for now

I think it's a good idea

quick response

Make it simple and easy to navigate and understand.

No subscription needed app would be much beneficial for all people

Make it best user friendly cause every user will be nepali make it bettet then hamro patro and orhes nepali technology
Use should use less and get more results

No it is a great aap

24/7 service

Well since i am not really interested in these stuffs i dont have any suggestions.

All is oky

NOTHING

Best wishes

Some What of a way to know the Nepali Rituals like why they exist why they were created. An AI that would understand nepali slangs and languages like how chatgpt understands the english language (if Possible).

Add verified pandits, easy booking, and time-zone auto conversion

Yo aap lagu hunu parxa

No

Make it free

Overall all good

Xaina

multi currency payment ko suvida hunuparxa ra offline chalnu paro

None, thank you

Wishing for best

Keep growing!

A एप्स मार्फत्

Please make the app as soon as possible.

No everything is very nice

people most have to believe in spiritual .

It's good as it it ig

Yeah

AI-based Puja Guidance

May be i will tell you another time..

Live temples updates,Easy pooja and pandit booking, Smart yatra planner, virtual darsan, Authentic temple information

Best of luck!

PanditYatra is very good and user-friendly. It would be even better if more features like online booking tracking, live support, and multiple language options are added.

I don't have any idea about this sorry

Provide materials list that can be used in puja's for people, that's going to be very convieniant for people

Authentic

Thik xa mero vai love from Daniel

प्राय सबै

विकल्प 2 (विशिष्ट):
पण्डित बुकिङ्को स्थिति ट्र्याक गर्न सकिने सुविधा तथा भुक्तानीको विवरण हेर्न मिल्ने विकल्प थपिदिए उपयोगी हुने थियो ।

Should mention location of pandit along with their name so will be easier to get within their city

Looking forward to see app getting launched ASAP.
